

# Home To Atherlow

## 8 Bar Intro

Verse 1:

Its a long, long way to Tipperary  
But Here in New York city that can get you down  
Neon Lights To Lonesome planes of priorys  
I thought far away from home was London town

Chorus:

And I'm Believing in this feeling of a long, long way to go  
And I see that ole Kentucky moon Shining Down on Aherlow  
And this Feeling that I'm Feeling It Won't last I'm Glad to know  
For I'm Flying Home From here when I go.

Verse: 2

A Long, Long time ago from Queenstown harbour  
Young Irish Folk sail to America  
Seven Days to Cross the Raging waters  
Seven More to Reach that Frisco Bay

Chorus

## 8 Bar Solo + Key Change

Verse: 3

Silver birds flying High across the ocean  
Don't leave me take me with you when you go  
Staying' here I no longer have the notion  
Take me back to the glens of Aherlow

Chorus: x 2

And this Feeling that I'm Feeling It Won't last I'm Glad to know  
For I'm Flying Home From here when I go
