

The Best Part of the Day is the Night

The best part of the day is the night
When I get home, everything's alright
You're lying close beside me - I'm holding you real tight
The best part of the day is the night.

I could spend my whole life loving you
There is nothing else I'd rather do
I'd go out every morning, work the whole day through
But I just can't wait 'til I get home to you.

Chorus:

**'Cause best part of the day is the night
When I get home, everything's alright
You're lying close beside me - I'm holding you real tight
The best part of the day is the night.**

16 BAR SOLO

The day times, for what I've gotta do
The night times, the time I spend with you
The two of us together, now that's what I like
The best part of the day is the night.

Chorus x2

When you're lying close beside me – and I'm holding you real tight
The best part of the day is the night.
