

## Good Time Girls

### Chorus:

Good time girls won't you come out tonight  
Come out tonight  
Come out tonight  
Good time girls won't you come out tonight  
We'll dance by the light of the Moon.

### 8 BAR SOLO

As I was walking down the street  
Down the street  
Down the street  
A pretty little girl I chanced to meet  
We danced by the light of the Moon.

You know I danced with my darling with a hole in her stocking  
Her knees kept knocking  
The band was rockin'  
I danced with my darling with a hole in her stocking  
We danced by the light of the Moon.

### Chorus

As I was walking down the street  
Down the street  
Down the street  
A pretty little girl I chanced to meet  
We danced by the light of the Moon.

You know I danced with my darling with a hole in her stocking  
Her knees kept knocking  
The band was rockin'  
I danced with my darling with a whole in her stocking  
We danced by the light of the Moon.
