

## **The Boy From Donegal**

Now Danny was a young man and he came from Donegal  
He was a well-known fisherman known to one and all.  
He'd always say a prayer when he was standin' on his own  
when the trawler left the quayside it would safely bring him home.

But when it came the weekend he would start another life  
he'd check the local papers to see where he'd go that night.  
He'd go to all the dances from Bundoran to Aranmore  
and when the band they took the stage sure Danny took the Floor.

### **Chorus.**

**He's waltz around and jive around 'n dance around the floor  
And when the band would finished he would always shout for more He'd  
dance all night, change three shirts but he'd be standing tall He comes from  
Killybegs and he's the boy from Donegal.**

Every Monday morning he'd be sitting in his home  
Thinkin' of the weekend my it was a lot of fun  
But he has to go to work and make a livin' day by day  
But he knows when Friday comes around he'll soon be on his way.

**(CHORUS)**

**NEW KEY**

**(CHORUS)**

**He comes from Killybegs and he's..... The Boy From Donegal.**
