

Good Night & God Bless

CHORUS:

well goodbye and god bless you on your journey back home
you're in our hearts and minds forever no matter were we rom
from the US back to mallow castlebleany to inverness
ill be seeing you again my friends good night and god bless

VERES:

Try forgetting all your worries when you come to see us play
i wish you luck in new tomorrows and what you plan for day by day
ill be there for you for forever no matter what this life may bring
For old friends are more important than all the fame that might
have been

CHORUS:

so goodbye and god bless you on your journey back home
you're in our hearts and minds forever no matter were we rom
from the US back to mallow castlebleany to inverness
ill be seeing you again my friends good night and god bless

ill be seeing you again my friends good night,and god bless
