

I Still Miss Someone

At the door the leaves are falling
A whole wide wind still blows
Sweet-hearts walk by together
And I still miss someone

Chorus:

**Oh I never got over those blue eyes
I see them everywhere
And I miss those arms that held me
When all the love was there**

And I wonder if he's sorry
For leaving what we had begun
There's someone for me somewhere
And I still miss someone

Solo

I go out to a party
To look for a little fun
But I find a dark end corner
Cause I still miss someone

Chorus

**There's someone for me somewhere
And I still miss someone**
