

## Big Tom Medley 2

### The Blackboard Of My Heart - KEY D

When I was young and I went to school they taught me how to write  
To take the chalk and make a mark and hope it turns out right  
Well that's the way it is with love and what you did to me  
I wrote it so you'd know that I was yours eternally

### CHORUS:

**But my tears have washed I love you from the blackboard of my heart  
It's too late to clean the slate and make another start  
I'm satisfied the way things are although we're far apart  
My tears have washed I love you from the blackboard of my heart**

If you'd been true the way you should and not have gone astray  
Those tears would not have fallen down and washed the words away  
No need to talk for if the chalk should write those words again  
It will be for someone else not things that might have been

### CHORUS

### Lonesome At Your Table - KEY Eb

If you're lonesome at your table and you're tired of all those tears  
You don't have to keep thinking all the time  
Well I in that old boat with you that been sinking for so long  
If it's lonesome at your table you're welcome at mine

This honky-tonk doesn't offer much just a port of lonely hearts  
A place to think about old lonesome times  
I glad you're here to sympathise where dream world fall apart  
If it's lonesome at your table you're welcome at mine

### I Wish I Had A Nickel - KEY E

I just dropped by to tell you that I wish you happiness,  
I hope that you'll forgive me for in-truding like this,  
I hope my dear your happiness will follow through the years,  
I'll just set back and watch you, while you she'd those bitter tears.

### CHORUS:

**Tears fallin down your pretty cheeks,  
Tears you cannot hide and tears you cannot keep,  
hey are tears of sorrow and (c) tears of de-light,  
I wish I had a nickel, for every tear you she'd last night.  
I wish I had a nickel, for every tear you she'd last night.**
