

## **My Oklahoma Home**

When they opened up the strip I was young and full of zip  
I wanted some place to call my home  
And so I made the race and I staked me out a place  
And settled down along the Cimarron

**It blowed away (blown away), it blowed away (blown away)**  
**My Oklahoma home, it blown away**  
**Well it looked so green and fair when I built my shanty there**  
**My Oklahoma home, it blown away**

Well I planted wheats and oats, got some chickens and some shoats  
Aimed to have some ham and eggs to feed my face  
Got a mule to pull the plow, I got an old red muley cow  
And I also got a fancy mortgage on this place

**Well it blowed away (blown away), it blowed away (blown away)**  
**All the crops that I've planted blown away**  
**Well you can't grow any grain if you ain't got any rain**  
**Everything except my mortgage blown away**

### **16 BAR SOLO**

Well it looked so green and fair when I built my shanty there  
I figured I was all set for life  
I put on my Sunday best with my fancy scalloped vest  
Then I went to town to pick me out a wife

**She blowed away (blown away), she blowed away (blown away)**  
**My Oklahoma woman blown away**  
**Mr as I bent to kiss her, she was picked up by a twister**  
**My Oklahoma woman blown away**

I'm always close to home, it don't matter where I roam  
For Oklahoma dust is everywhere  
Makes no difference where I'm walkin', I can hear my chickens squawkin'  
I can hear my wife a-talking in the air

**It blowed away (blown away), it blowed away (blown away)**  
**Yeah my Oklahoma home is blown away**  
**My home is always near, it's up here in the atmosphere**  
**My Oklahoma home is blown away**

**It blowed away (blown away), it blowed away (blown away)**  
**Yeah my Oklahoma home is blown away**  
**My home is always near, it's up here in the atmosphere**  
**My Oklahoma home got blown away**
