

## **Same Way You Came In**

**KEY: C 4. BAR INTRO**

**CHORUS**

**Ah, we're going out the same way we came in  
Don't matter who you know or where you've been  
Makes no difference who you are  
Skid row joe or super star  
You're going out the same way you came in**

We were born into this world without a thing  
And we leave it just as naked as we came  
You may drive a coup de ville  
Own a mansion on a hill  
Don't mean nothing when St Peter calls your name

**REPEAT CHORUS**

**NEW KEY OF: D 4. BAR SOLO**

## **Old Love Letters**

I came upon a bundle of letters one day  
I had in my mind, to throw them away.  
But I broke the faded ribbon, before I thought again  
I opened up the first one, and I noticed your name.

**Chorus**

**Why did I keep those ol' love letters  
I had almost forgotten you  
Why did I read those ol' love letters  
Those ol' love letters from you.**

**NEW KEY OF: E 10. BAR SOLO**

## **I Love You Still**

### **CHORUS**

**You know I love you and I always will  
I know you're married, but I love you still**

Today I met you my heart spoke to me  
It said to love you to eternity  
Not knowing you were another's pride.  
I thought I'd always be close by your side.

### **Repeat CHORUS**

### **NEW KEY OF: F 5. BAR SOLO**

## **Far Side Banks Of Jordan**

I believe my steps are growing wearier each day  
Still I've got a journey on my mind  
Lures of this old world have ceased to make me want to stay  
and my one regret is leaving you behind.

If it proves to be His will that I am first to go  
And somehow I've a feeling it will be  
When it comes your time to travel likewise don't you feel lost  
For I will be the first one that you'll see.

### **CHORUS**

**And I'll be waiting on the far side banks of Jordan  
I'll be waiting drawing pictures in the sand  
And when I see you coming I will rise up with a shout  
And come running through the shallow waters reaching for  
your hand.**

### **REPEAT CHORUS**
