

I Love Ireland

8 Bar Intro

Verse: 1

Have you ever sailed Lough Neagh with all its splendour
Or walked the Glens of Antrim for a day
Have you seen the Mourne Mountains reaching skywards
Or watched the sun go down in Galway Bay

Verse: 2

Have you ever wandered round the Ring Of Kerry
And did you ever kiss the Blarney Stone
All these great places that I speak of
Are in this country I call home

Chorus:

Yes it lies out on the Western Sea Board
And if your passing please make sure to call
Then you'll understand me when I tell you
Why I love Ireland best of all

8 Bar Solo

Verse: 3

Have you ever fished the mighty River Shannon
Or stroll through Dublin City for a while
Or wandered through the hills of old Tir Conaill
Where the people all greet you with a smile

Verse: 4

You can travel on out west to County Mayo
Or visit that lake isle of Inishfree
So if you spend a few days, here in this great country
Then you'll understand what Ireland means to me

Chorus: x 2

Yes I love Ireland best of all
