

Ain't Love A Wonderful Thing

Intro

My Mom and Dad used to waltz like the wind
Fly round the floor like they both had wings
When it came to the chorus they both used to sing
Their faces a picture nothing worrying them

Chorus

**Got to dance like there's nobody watching
Sing like there's nobody listening
When you're totally lost in a world of your own
Ain't love a wonderful thing**

For as long as I remember their love was so strong
Together forever was where they belonged
There for me whenever my life went wrong
I miss them so much but my life must go on

Chorus

Instrumental

Key Change

My Life feels so empty without them around
But things are much better for me now I've found
A special somebody to help me around
The dance floor of life from now 'till the end

Chorus x 2

**When you're totally lost in a world of your own
Ain't love a wonderful thing**
