

Auld Lang Syne

Should auld acquaintance be forgot
And never brought to mind
Should auld acquaintance be forgot
And days of auld lang syne

(CHORUS)

**For auld lang syne, my dear
For auld lang syne
We'll take a cup of kindness yet
For auld lang syne**

(16 Bar Solo)

(CHORUS)

Should auld acquaintance be forgot
And never brought to mind
Should auld acquaintance be forgot
And days of auld lang syne
