

Catch Me If You Can

Intro

Well I'm a Páidín, from Tullabhadín
I've got money and acres of land
I'm looking for a honey, with a bit of money
Catch me if you can, me name is Dan sure I'm your man

I like the ceili's, and the Stack of Barley
I like the waltzes, the auld jigs and the reels
I like swinging, when Big Tom's singing
Catch me if you can, me name is Dan sure I'm your man

Chorus

**And I'm off to Lisdoonvarna at the end of the year
I'm off for the bit of craic, the women and the beer
I'm awful shifty for a man of fifty
Catch me if you can, me name is Dan sure I'm your man**

Instrumental

Key Change

I've got a brother, he's in the Garda
I've got an uncle, he's up there in the Dáil
He's quite a charmer, he's a mighty farmer
Catch me if you can me name is Dan sure I'm yer man

Now to conclude and finish my story
If there's a young girl, out looking for a man
Take the bus from Barna, down to Lisdoonvarna
Catch me if you can, me name is Dan sure I'm your man

Chorus

**And I'm off to Lisdoonvarna at the end of the year
I'm off for the bit of craic, the women and the beer
I'm awful shifty for a man of fifty
Catch me if you can, me name is Dan sure I'm your man**

**I'm awful shifty for a man of fifty
Catch me if you can, me name is Dan sure I'm your man**
