

# Give An Irish Girl To Me

My Name Is Pat O'Connor From England Here I Came,  
And I've just Come O'er Among You,  
To Learn My Proper Name,  
I Left The Girls Behind Me They Were So Tall And Free,  
But Of All The Girls Throughout This World,  
Give An Irish Girl To Me,

## **CHORUS:**

**For M It Stands For Mary, And J It Stands For John,  
And P It Stands For Paddy's Land, The Land Where I Was Born,  
And S It Stands For Shamrock Green, As Plain As You Can See,  
But Of All The Girls Throughout This World,  
Give An Irish Girl To Me,**

I Took A Trip To Germany , It Was Just The Other Day,  
To See Some Of Those Smiling Girls,  
I Heard The People Say,  
But They Had Not Got Smiling Face,  
Only Then Could I Agree,  
So I Told Them Keep Their German Girls,  
Give An Irish Girl To Me,

## **8 BAR SOLO + NEW KEY**

Now To Conclude And Finish,  
I Learn My Little Song,  
And I'll Sing For You Some Other Day,  
When Round This Way I Come,  
For I'm Going To That Dear Open Spot,  
You All Know Where I Mean,  
But I'm Going To Where That Coleen Fair,  
In That Little Isle Of Green,

## **CHORUS:**

**But Of All The Girls Throughout This World,  
Give An Irish Girl To Me.**
