

## New Moon Over My Shoulder

### Intro

### Chorus

There's a new moon over my shoulder  
And an old love still in my heart  
I remember now that I'm older  
What you told me the day we had to part

You promised with the new moon you'd be coming back to me  
But many moons have passed since then I've waited patiently

### Chorus

There's a new moon over my shoulder  
And an old love still in my heart  
Now I'm wishing I had been bolder  
Then perhaps we would not be so far apart

You promised you would write me but so far there's not a line  
But still I wait and make believe someday you'll be mine

### Chorus

There's a new moon over my shoulder  
And an old love still in my heart
