

Clap Your Hands

Everyone who came to hear the music
Everyone who came to hear the band
Everyone who's got the beat don't lose it
Clap your hands clap your hands

Everyone who lives out in the country
And everyone who lives close to the land
Everyone who's living in the city
Clap your hands clap your hands

CHORUS

**Clap your hands snap your fingers tap your toes and have a good time
You can shout and whistle and you can even dance
When your favourite line comes round just sing loud as you can
Clap your hands clap your hands**

SHORT 3 BAR SOLO

I could spend my lifetime making music
Music is one thing I understand
Once you find it you won't ever lose it
Clap your hands clap your hands

CHORUS

**Clap your hands listen to the music
Clap your hands listen to the band
Once you find it you won't ever lose it
Clap your hands clap your hands**

CHORUS

NEW KEY CHORUS

NEW KEY CHORUS

**Clap your hands listen to the music
Clap your hands listen to the band, band, band, band, band
Once you find it you won't ever lose it
Clap your hands clap your hands
Once you find it you won't ever lose it
Clap your hands clap your hands**
