

Roseville Fair

4 BAR INTRO

Oh, the night was clear and the stars were shining
And the moon came up,... So quiet in the sky
All the people gathered round and the band was a-tuning
I can hear them now... Playin' 'Comin' Through the Rye'

You were dressed in blue and you looked so lovely
Just a gentle flower of a small town girl
And you took my hand and we danced to the music
With a single smile you became his world

Chorus

**And we danced all night... To the fiddle and the banjo
Their drifting tunes, seemed to fill the air
So long ago, but I still remember
When we fell in love, at the Roseville Fair**

Now, we courted well, and we courted dearly
And rock for hours on the front porch chair
Then a year went by... From the time that I met you
And I made you mine, at the Roseville Fair

Chorus

**So here's a song for all the lovers
And here's a tune... That they can share
May they dance all night... To the fiddle and the banjo
The way we did at the Roseville Fair**
