

# Tonight Mary Ann

## **8 BAR NTRO**

Where are you going tonight Mary Ann  
What time are you coming home  
You sure look pretty in your red satin dress  
I'll miss you the minute you're gone  
Don't worry about me 'cause I'll be on my knees  
The moment I turn out the light  
And I pray that the dreams that I am dreaming of you  
Don't turn into nightmares tonight

## **Chorus**

**And I love you come hell or high water  
I know you can't help what you do  
I wonder if I'm part time crazy  
Or am I a full time fool**

## **8 BAR SOLO**

Where are you going tonight Mary Ann  
I'll leave a light in the hall  
It's better to know that you're mine now and then  
Than never to have you at all  
I'll keep on living my life just for you  
So love me whenever you can  
You're not a one man's woman  
And I'm just a one woman's man

## **Chorus x 2**

**I wonder if I'm part time crazy  
Or am I a full time fool**
