

My Dixie Darling

8 BAR INTRO

CHORUS

**My Dixie darling, listen to the song I sing
Beneath the silver moon, with my banjo right in tune
My heart is ever true, I love no one but you
My Dixie darling, my Dixie dream**

Way down below the Mason-Dixon line
There's where the honeysuckles are entwined
There's where the southern winds blow
There's where the daisies grow

The girls of the north in the gay finery
Whirling around in society
Singing the song of Dixie darling
Where I want to be

CHORUS

8 BAR SOLO

Going down South to have a good time
To see my girl in old Caroline
Drink her booze and do as I please
For all them girls I long to squeeze

Singing the song of Dixie darling
There's where I long to be going
Down where the jelly birds roll
With my Dixie Queen
