

Five Minutes More

8 Bar Intro

**Give me five minutes more, only five minutes more
Let me stay, let me stay in your arms
Here am I begging for only five minutes more
Give me five minutes more in your arms**

All week long I've waited for our Saturday date
Don't you know that Sunday morning you can sleep in late

**So give me 1 give me 2 give me 3 give me 4
Give me five minutes more of your charms
Here am I begging for only five minutes more
Give me five minutes more in your arms**
