

She's Sweet She's Kind and She's Mine

Intro

People say I'm acting kind of strange
My friends all tell me how I've changed
I'm laughing and dancing singing happy songs
Just joking and carrying on

They say they see a change in me
I'm not the guy I used to be
I carry a smile cause I'm not sad and lonely
I got someone who cares and she's calling me her honey

Chorus

She's sweet she's kind and she's mine
Love comes from her eyes all the time
Her lips are as sweet as the cool red wine
She's sweet and she's kind and she's mine

Instrumental

Key Change

My world is turning again
Loneliness is just a place I've been
I've got a little lady who's soft as a baby
And we're so much in love it drives me half crazy

Chorus x 2

She's sweet she's kind and she's mine
Love comes from her eyes all the time
Her lips are as sweet as the cool red wine
She's sweet and she's kind and she's mine

She's sweet and she's kind and she's mine
